## **International Association of Microsoft Channel Partners Announces Winners and Finalists in the 2015 IAMCP Member Awards Program**

### **Background**

The International Association of Microsoft Channel Partners (IAMCP) is the leading global organization for business networking in the Microsoft partner eco-system with 100+ chapters in over 40 countries around the world. IAMCP members represent the trusted, independent voice of the Microsoft partner community. You can find out more at [www.iamcp.org](http://www.iamcp.org).

Microsoft Partners that are part of the IAMCP community typically enjoy significantly higher revenues and higher margins than their counterparts outside of the community. Members benefit from P2P relationships with other trusted members to generate these higher margins and deliver exceptional solutions and services to their customers.

### **The IAMCP Member Awards Program**

This year, IAMCP launched a brand new Awards program for its members. IAMCP was keen to recognize its own Association members for the outstanding, innovative and creative products and services that they deliver to their customers. Winners and finalists benefit from increased recognition through press and social media. Winners attending the Microsoft Worldwide Partner Conference 2015 (WPC) will receive their awards at a special ceremony to be held during WPC, which this year is being held in Orlando, Florida, USA.

### **The Award Categories**

The Award Categories this year for each of the four key regions (USA, Canada, EMEA, LATAM) are as follows :-

**IAMCP Cloud Partner 2015**

Kelvin Kirby, IAMCP International Chair for the IAMCP Awards Program 2015, said "The standard of entries were very high. Considering this is our first year of the awards the entries were excellent. Congratulations to everyone who took part, and for the efforts of everyone involved, and in particular those who took part in the judging panels. And for those who did not make it to Winner or finalist, then there is always next year !!"

### **About Microsoft Worldwide Partner Conference**

The Microsoft Worldwide Partner Conference (WPC) is an annual gathering for the Microsoft partner community to learn about Microsoft's roadmap for the upcoming year, network and build connections, share best practices, experience the latest product innovations, and learn new skills and techniques. Since 2003, the Microsoft Worldwide Partner Conference provides a unique 5-day event for thousands of partners from more than 130 countries worldwide, to plan their business strategies for the upcoming year. The Microsoft WPC week is anchored around keynote presentations from Microsoft's senior leaders; training sessions led by partners, Microsoft professionals, industry leaders and thousands of meetings responsible for many new business transactions. The 2015 conference will be held in July, in Orlando, Florida, USA.

Notes : Some Award categories do not show finalists because either there were not sufficient entries in this category, or the judging panel did not feel it appropriate to progress an entry to finalist.
